## [Mark Steele: Technology Officer Appears To Make False Claims ...](https://www.vigiliae.org/mark-steele-technology-officer-and-innovator-speaks-out-on-5g-dangers/)

I contacted a EMF research group to ask about **Gateshead** and the 5G connection. I was informed that they had offered to go to **Gateshead** after talking to **Mark**, that they had offered to test the lamp posts and the people who had been affected, all free of charge. This was offered several times and was refused by **Mark**.

**Gateshead** Council and **Mark** Steele's ongoing dispute over the 'baby killing' technology takes another twist. ... **Steel** had denied the council's claim his behaviour had gone over the

top.
