www.phonegatealert.org – [Alert PhoneGate invited to 3rd Krakow International Forum.](#)

We do want to heartily thank Krakow City Mayor for his official invitation to take part in 3rdInternational Forum: “[Environment Protection from EMF Pollution – Safety limits](#)”. This event will take place on Monday, September 24, 2018, at Krakow City Hall in Poland.

During this event, our President-founder, Dr. Marc Arazi,

M.D., will give a lecture about "PhoneGate Alert, a Global Public Health issue for cell phone users." He will paint a general picture of progress made since the alert was raised in July 2016. But simultaneously and above all, he will insist on the necessary measures to be taken by Public Authorities and industry to protect the health of billion users of cell phones and other connected devices.
