

ARE YOU AFFECTED BY EMF / MICROWAVE RADIATION? HOW WOULD YOU KNOW?

Do you suffer from any of these symptoms?
Do you know someone who does?

lack of concentration in WiFi environment
flu-like aches and pains that don't go away
persistent headaches and / or dry eye
fatigue; broken sleep patterns
increased levels of stress, anxiety and depression (especially in young people)
"hot ear" or burning head after mobile phone use

It may be due to over-exposure to "smart" or "WiFi" gadgets

Or perhaps you are already Electrosensitive (ES) or Electrohypersensitive? (EHS)

What price are we paying for the convenience of mobile phones, tablets and laptops;
microwave ovens, WiFi baby monitors and smart meters?
What price your wellbeing, and that of the younger generations?

DR GEORGE CARLO, PROF OLLE JOHANSSON AND DR DIMITRIS J PANAGOPOULOS
are leading international scientists specialising in EMF.
They will simplify the science; share their knowledge and experience;
and address specific issues raised by the audience.
They will provide you with information and practical advice,
empowering you to make informed choices and changes
to improve your future wellbeing.

Screening of the eye-opening 2017 US documentary "Generation Zapped".
Full afternoon masterclass led by these 3 expert speakers
with plenty of time for questions - and answers!

SATURDAY 12th MAY especially for those already affected by ES / EHS
SUNDAY 13th MAY for all those who want to know more

MANOR HOUSE VENUE near HORSHAM, WEST SUSSEX
